REACH Compliance Statement

Spectrum Semiconductor Materials, Inc. certifies that all products supplied by Spectrum Semiconductor Materials, Inc. are in compliance and conform to REACH Regulations EC NUMBER 1907/2006.

All semiconductor assembly materials supplied by Spectrum Semiconductor Materials, Inc. have by weight less than 0.1% in any products under REACH regulations. Each of our product sources have confirmed compliance with the latest REACH list which was published on January 16, 2020 and the 205 substances contained therein.

This Declaration is based on our vendor supplied analysis or material certifications.
