

## REACH Compliance Statement

Spectrum Semiconductor Materials certifies that all products supplied by Spectrum Semiconductor Materials are in compliance and conform to REACH Regulations EC NUMBER 1907/2006.

All semiconductor assembly materials supplied by Spectrum Semiconductor Materials have by weight less than 0.1% in any products under REACH regulations.

Each of our product sources have confirmed compliance with the latest REACH list which was published on January 17<sup>th</sup>, 2022 and the 223 substances contained therein.

This Declaration is based on our vendor supplied analysis or material certifications.
